5. Closing remarks

Min 1/12/06/2023: Preliminaries

The team assembled at Central Rift Valley Water Works Development Agency Boardroom at 10:00am.

The chair called the meeting to order at 10:10 am with a prayer request by a volunteer. The chair requested teams from the Employer and the Prospective Bidders to introduce themselves.

Min 2/12/06/2023: Introduction

The chair made a brief introduction of the project and thanked everyone for finding time to attend the pre-bid site visit and informed them that it was of great importance that they attended as this would enable them to;

1. To have an understanding of the working environment and thus be knowledgeable when making decisions in preparing their bids.
2. Have an in depth understanding of the condition of the project site and location.
3. Clarify any issues/questions arising from the contractors.

Min 3/12/06/2023: Project Overview

The Chair welcomed the Project Engineer to make highlight the project scope:

The contractors were taken through the project overview by the Engineer as follows.

Kaboro Water Project entails two projects components, Kaptilomwo and Kasok-Mondui Water Supplies. Kaptilomwo Water Supply is located in Barwesa Location, Barwesa Ward, Baringo North Constituency while Kasok-Mundui Water Supply is located in Kipsaraman location, Saimo-Kipsaraman Ward, Baringo North Constituency in Baringo County. The two sites are approximately 210km from Nakuru the Agency Head Quarters and approximately 62km from Kabarnet the County Headquarters.

The project scope entails:

- i. Drilling, Equipping and Civil Works for Kaptilomwo Primary School Borehole
- ii. Pipeline Extension from Kasok-Mundui Primary School

- iii. Construction of 50m³ masonry tank
- iv. Construction of water kiosks
- v. Water Collection Point
- vi. Construction of Cattle Trough

The bidders were taken through the Eligibility Criteria and Qualification Criteria with in debt explanation on each item as follows.

- i. The submission of tender is as per the stipulation provided with adherence to **12.00 noon on 20th June 2023.**
- ii. Bidders to ensure documents are serialized sequentially
- iii. Bidders to carry out arithmetic and error checks on their BOQ items since the Bid Sum submitted is final and cannot be altered
- iv. Bidders are required to submit updated documents on experiences, financial, tax compliance, personnel, equipment and other relevant documents.
- v. Bidders to ensure the prices are competitive and within the market rates to avoid presence of abnormally low, abnormally high, unbalanced and front-loaded tenders as this will be subjected to further scrutiny and may result into disqualification of the bid if no justification is provided.
- vi. Bidders to avoid submission of fraudulent documents.
- vii. Bidders to familiarize themselves with the terrain and sources of materials.
- viii. Bidders to adhere to the requirements as indicated on Instruction to bidders viz a viz eligibility criteria. I.e The best evaluated tender will be the most responsive to the tender document and with the lowest evaluated price
- ix. The Agency will communicate each and every process through the Agency official communication channels and addresses as provided in the documents and as indicated below:
